

Middle States Accredited

TRANSFIGURATION ACADEMY

Strengthening faith, Enlightening minds, Transforming hearts

Transfiguration Academy = The Formula for Success

Transfiguration Academy is a Catholic elementary school for PreK 2+ through 8th grade, fully accredited by the Middle States Association of Schools. Our outstanding faculty, many with advanced degrees, is fully licensed and credentialed.

Discover why our diverse student body grows, learns and succeeds at Transfiguration. We provide a nurturing educational environment that encourages students to explore their interests and enhance their skills while also developing a keen sense of caring and responsibility for all of God's people.

Transfiguration has achieved and maintains the highest academic standards, as evidenced by our students' high school acceptances, scholarships and academic awards. Our students have been recognized by Johns Hopkins Center for Talented Youth, the National Young Leadership Conference and have won top honors in the competitive New Jersey "Future City" Engineering competition, Bergen Science Challenge sponsored by Bergen County Academies and the Bergen Catholic High School Brady Memorial Challenge, to name just a few.

Transfiguration hosts a modern Science Laboratory, computer lab, "EnTech" lab to support our Engineering and Technology program, and "Interactive White Board" technology. An award winning Fine Arts program encompasses Visual Arts, Drama and Music, including band, choir and concerts.

We offer an extensive sports and extracurricular program that includes Tennis, Dance, Cheerleading, and a Model United Nations Club. Transfiguration basketball teams have won several league championships and our karate students have won national awards. Our Drama Club produces shows that involve students from the youngest to the oldest including shows like "The Wizard of Oz," and "High School Musical Jr."

Transfiguration Academy prepares students to face the challenges of a changing society and become the leaders of tomorrow through strengthening faith, enlightening minds and transforming hearts, one student at a time.

"TA's special programs provide students with wonderful opportunities to achieve, develop and share their unique gifts." Margarita Rosario

"Transfiguration Academy prepared my daughter for the rigors of one of the top magnet high schools in N.J. The administration and teachers are attentive and caring." Greg Banks

Now registering all grades PreK-8. For more information or to arrange a tour of the school, please call us at: 201-384-3627. Visit our website at www.transfigurationacademy.org and our Facebook page.
